

Interfaith Story Circle Presents

Interfaith Stories, Songs, and Prayers On the Gifts of Sanctuary

This special event will commemorate the Interfaith Sanctuary upon the closing of the College of St. Rose.

Storytellers and presenters from a variety of faith traditions will share on the meaning and importance of sanctuary in our lives. They will help us to reflect on the ways in which we find and create sanctuary for ourselves and for one another.

The program will take place surrounded by a display of interfaith art.

We hope you will attend and look forward to warmly welcoming you.

Refreshments will be served.
